This magnificent property of 435 m², spread over three floors, is set on a 1,300 m² plot and offers an environment of great privacy and tranquility. The house has been completely renovated and features an elegant and sophisticated style, with high-quality finishes and a functional layout designed for comfort and well-being. In addition, it has an elevator that connects all floors, making access and mobility within the home easy and convenient. Layout by floor: Garage level (120 m²): This floor includes a spacious garage with capacity for 3 or 4 vehicles. It also features two independent storage rooms, ideal for keeping tools, bicycles, sports equipment, or other belongings neatly organized. Ground floor (175 m²): This is the main living area, divided between a spacious, modern kitchen with a daily dining area, a bright and generous living-dining room with direct access to the outdoors, an office ideal for remote work, and a pantry that perfectly complements the kitchen. All spaces are carefully designed, offering a sense of openness and comfort. First floor (140 m²): This level houses four en-suite bedrooms, each with a private bathroom and privileged views of the surrounding natural landscape. Every room is designed to provide maximum privacy and comfort, making it perfect for a large family or for hosting guests with complete independence. This property represents a unique opportunity to live in a spacious, elegant, and fully equipped home, in a private and exclusive setting.
